Official Annual Meeting Review

ICAHO20

**ASCO Direct™ Highlight: 2020 Official
Annual Meeting Review**

September 26-27, 2020

Seattle,

<https://icaho.binayfoundation.org>

support@binayfoundation.org

The 8th International Conference on Advances in Hematology and Oncology (ICAHO20) is a scientific meeting intended to advance the practice of Hematology & Oncology and improve the care of patients with cancer by educating healthcare providers about the latest developments in the field. This activity is an officially licensed ASCO® annual meeting 2020 review.

Objectives:

At the conclusion of this activity, attendees will be able to:

- Review important updates presented at ASCO® Annual Meeting 2020
- Explain management of patients with common cancers utilizing the latest evidence.
- Discuss new updates in immunotherapy and other cancer therapies
